# Talent Acquisition Assessment

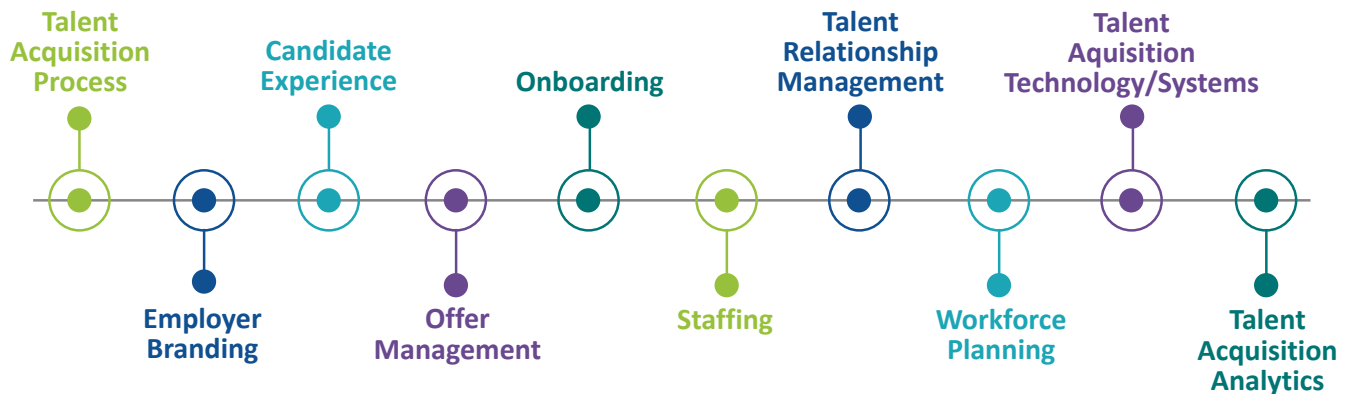

Do you know if your Talent Acquisition strategy needs a refresh? Are your recruiters simply moving resumes through a funnel to fill vacancies? Do you want your key stakeholders singing the praises of your function, your processes, and your results?

hrQ's Talent Acquisition Assessment is a thorough, rapid analysis of the organization's strategy, processes and practices for meeting talent needs. We work with your team to ensure talent acquisition capability is optimized to execute effectively, meet short-term demand and deliver a future-oriented strategy.

## Benefits of a Talent Acquisition Assessment

- Better position organization to meet short and long-term talent demands
- Improve and streamline talent acquisition processes
- Optimize time and budget spend
- Enhance candidate experience
- Learn how data and metrics can inform talent acquisition work
- Develop talent relationship management strategies to expand and engage the talent pool
- Enhance your employer brand

## hrQ's Assessment focuses on evaluating and optimizing key areas including:

## What Can You Expect?

- A comprehensive assessment and presentation of findings
- Process improvement recommendations
- A well defined talent acquisition strategy
- Change management and communication strategies
- A recommended implementation plan
